

Let's G.O.!
(Get Outside)
Time to jump into action.
Let's G.O. = healthy people +
healthy communities

The Township of Chisholm is having their 1st year of the Children and Nature Network Let's G.O.! (Get Outside) Challenge.

We are encouraging intergenerational groups of people to get outside, be active, have fun and connect with nature.

Join this community challenge by picking your registration form up at the Township Office. There is no cost! Your registration form will allow you to be eligible for a \$50 prize!

Join us! www.childrenandnature.org/lets-go

NOTE: The role of the Children & Nature Network (C&NN) is to help build the children and nature movement, and to help parents and others learn about ways they can connect children to nature. Let's G.O. is an approach we wish to encourage. However, C&NN is not responsible for the activities and safeguards associated with events scheduled to reconnect children and nature. At any time, when children are outside on their own, or with families and friends, everyone should take safety precautions and be mindful of risks.
