MESSAGE FROM THE FIRE DEPARTMENT

Want a New Year's resolution you can really carry through?

By now you have probably given up on losing 20 pounds, quitting smoking or running a marathon. But here's a resolution that's equally good, and a whole lot easier: resolve to test your smoke alarms regularly.

Working smoke and carbon monoxide alarms are the number one way to protect your family from fire and deadly carbon monoxide fumes.

Need help with your resolution? Just call the township office and ask for the fire department.

Our marathon-running and weight-loss coaching may not be the best, but we sure know a lot about smoke alarms. Let's make the rest of 2025 a fire-safe, happy year!

PHRAGMITES FACTS

- Invasive Phragmites is an aggressive plant that spreads quickly and out – competes native species for water and nutrients;
- It releases toxins from its roots into the soil to hinder the growth of and kill surrounding plants; and
- Provides poor habitat and food supplies for wildlife; and
- Proper removal and disposal is crucial.

Local volunteers are needed. If you are interested in volunteering please email: dennysharp1000@gmail.com.

More information can be found on the Township website at:

<https://chisholm.ca/en/community/water-resources>

Please remember that you can now donate your refundable bottles and cans to support the activities of the Recreation Committee. The drop off is at the landfill in one half of the new sea container.
