INSTRUCTIONS TO BIDDERS

Bidders are to:

1. Review and consider all attached documentation. Contact BRY-CO Engineering Ltd. immediately should any documentation be missing.
2. Review site conditions to ensure familiarity with work requirements.
3. Be familiar with this type of construction. The bidder will provide, on request, three examples of previously completed projects including with the contract value, completion date, building size, construction type and the client contact.
4. Be aware that the Building Permit will be obtained and paid for by the owner.
5. Be aware that all works, materials, finishes and quality is to match or exceed that are present at the existing building.
6. Submit unit, itemized, alternative and separate prices to the Engineer after the award of contract for review and action by the Engineer. Variations in the products or works to be

performed will not be considered during the Bid period.

7. A Letter of Credit, addressed to the Owner, in the amount of 50% of the contract submitted price will be required within 10 business days of the award of tender.
8. Submit the Bid on the Bid Documents provided and in the envelope provided with all sections completed to BRY-CO Engineering Ltd. prior to the closing date referred to above. Any amendments to the Bid price can be submitted in written form on the letter head of the contractor, signed by the signatory of the contractor, at any time up to the closing time of the Bid period. **Faxed or electronically submitted amendments will not be accepted.**

THE OWNER RESERVES THE RIGHT TO DISQUALIFY ANY OR ALL BIDS

**ALL DISCUSSIONS CONCERNING THIS BID ARE TO BE DIRECTED TO
BRY-CO ENGINEERING LTD. Attention: WILLIAM (BILL) J. BRYANT P.Eng.**
