Mayor, Gail Degagne

CAO Clerk Treasurer, Lesley Marshall

Accepted materials

- Plastic bottles, tubs, pails, trays, foam packaging.
- Clear and coloured glass jars and bottles.
- Milk and juice containers.
- Aluminum, steel cans, foil, pie plates and trays.

- Corrugated cardboard and clean pizza boxes.
- Cereal boxes, tissue boxes, and cardboard tubes.
- Newspapers, magazines, flyer inserts, and catalogues.
- Household paper.

Excess cardboard

If cardboard will not fit in your recycling cart, save it for your next collection day, or place it in bundles (3 ft x 2 ft x 1 ft) broken down flat and tied with string or rope, beside your recycling cart.

As of April 3, 2025,
Chisholm's recycling
program will be managed by
Circular Materials, a
national not-for-profit
organization that is
committed to building an
efficient and effective
recycling system in Ontario.

circularmaterials.ca/chisholm

FAQs

How should I set out my cart for collection?

Set your recycling cart so that the wheels are away from the curb (towards your home, and the lid opens to the street). Place recycling and garbage carts at least 3 feet in front of or beside fences or vehicles. Place your cart on a flat surface clear of any snow and ice.

What if I have excess recyclables that will not fit into the cart?

If your recyclables don't fit, save them for your next collection day.

Can I request a second cart?

If you need a second recycling cart, you can request one from GFL for purchase.

What if I bought my own cart, can I set it out for collection?

Yes, you can use your own cart.

Benefits of recycling carts

- ✓ Recycling carts, with lids fully closed, help **minimize litter** and reduce odor and pest issues.
- ✓ **Increased storage** capacity between collections allows for more space for your recyclables.
- ✓ Collection systems with recycling carts create a **safer working environment** for workers and reduce the risk of injury and accidents.

Questions?

Contact GFL for questions about:

- Missed collection.
- Replacement carts.
- Special accommodation requests.
- Other recycling questions.

☎ 1-888-796-4352

✉ c29recycling@gflenv.com

🌟 gflenv.com/canada-recycles

Recycling tips:

- ✓ Sort recyclable materials from garbage and organics.
- ✓ Flatten and tie cardboard.
- ✓ Place containers clean, dry and loose in your cart.
- ✓ Lids and labels can remain on containers and cans.

NEWS RELEASE

For immediate release: March 19, 2025

Four New Measles Cases Confirmed in North Bay Parry Sound District Health Unit Region

NORTH BAY, ON – The North Bay Parry Sound District Health Unit (Health Unit) has confirmed four additional cases of measles, bringing the region total to five as of March 19. All newly infected individuals are close contacts of the original case announced earlier this month and are not fully vaccinated against measles. They are currently self-isolating.

“At this time, there is no evidence of the virus spreading throughout the region and no locations have been identified where the public could have been exposed,” says Dr. Carol Zimbalatti, Medical Officer of Health. “We continue to be in regular communication with the individuals and their close contacts to help keep our local risk level low, and we appreciate how closely public health isolation recommendations have been followed by these individuals.”

Measles is a highly contagious virus that spreads through the air and can remain in the air or on surfaces for up to two hours after an infected person has left the area. Individuals can reduce their risk by avoiding travel to high-risk areas and getting up-to-date with their measles, mumps, rubella (MMR) vaccine.

“Two doses are recommended for individuals born in or after 1970. Most individuals born before 1970 have immunity from exposure in their childhood,” says Dr. Zimbalatti.

Symptoms of measles can begin seven to 21 days after exposure and include runny nose, watery red eyes, cough, fever, and a rash spreading from the face to the rest of the body. Long-term and more severe complications of measles can include vision or hearing loss, a brain or ear infection, pneumonia, an early birth (if pregnant), or in rare cases, death. Individuals who are pregnant, under the age of five, immunocompromised, or not fully vaccinated against measles are most at risk of severe outcomes.

The Health Unit will issue further communication if there is an increased risk to the public. Individuals can stay up-to-date with the local situation and check their immunization record at myhealthunit.ca/measles. Those looking to get up to date with their MMR vaccine are asked to contact their healthcare provider, or the Health Unit at 1-800-563-2808 Ext. 5252.

2025 Sample Municipal Posting.docx; 2025 SPC Application Final (Fillable).pdf; 2025 Committee and Member Responsibilities_Municipal.pdf; 2025 Public Notice for SPC Applications.pdf; 2025 Municipal Memo re SPC Membership.pdf;

To: Municipal Clerks, CAOs, and Mayors of municipalities within the North Bay-Mattawa Source Protection Area,

Please see attached memo regarding recruitment for the North Bay-Mattawa Source Protection Committee. Also attached are the Committee and Member responsibilities, the public notice for applications, and the application form.

The term for the three municipal representatives on the committee has ended, and existing members need to either be re-appointed or have new members join the committee. Municipal representatives must be forwarded by the municipalities that are wholly or partially within the Source Protection Area. A map is included in the Committee and Member Responsibilities document.

In addition to Municipal representatives, the Economic sector and Public-at-large representatives have also come to the end of their term and may have their membership renewed or may welcome new members. There is a sample posting attached that we ask be added to your municipal websites. If there is a public notice bulletin board at your municipal offices, we ask that the public notice kindly be posted for public review. I will also be endeavouring to post the public notice on such boards that may be located at community centres and libraries within the Source Protection Area.

Please forward Source Protection Committee Municipal Representative nominees to dwsp@nbmca.ca by May 12, 2025. I am happy to address any questions you may have.

Thank you,

Angela

Date: March 11, 2025
Re: Nomination for Municipal Representatives on Source Protection Committee

The Source Protection Committee (SPC) is a local multi-stakeholder committee responsible for developing the Source Protection Plan for the protection of municipal drinking water sources in Callander, Mattawa, North Bay, Powassan, and South River. Membership on the SPC is evenly allocated between municipal, economic and public-at-large sectors. The Clean Water Act's O.Reg. 288/07 allots a nine-member committee (plus the chair and a First Nations representative) for the North Bay-Mattawa Source Protection Area.

The membership terms for current SPC members have expired. The current members representing the municipal sector are: Beverley Hillier, Manager of Planning and Building Services for the City of North Bay; Tim McKenna, Manager of Operations for the Municipality of Callander; and Randy McLaren, former Mayor of Bonfield. These members may have their membership renewed or new members may be nominated.

Municipalities are invited to submit nominations for the Source Protection Committee Municipal Representative positions. Please submit your nomination to the Source Protection Authority by Monday, May 12, 2025 and include an Application completed by the nominee, together with their resume and a letter from the municipality acknowledging its support for the nominee.

Municipalities are encouraged to collaborate on submitting a nomination by way of a letter of support for a particular individual. In the event that more names are submitted for the three vacancies, a selection committee composed of Source Protection Authority (SPA) members will interview candidates and make recommendations to the SPA which is responsible for the appointment of SPC members.

In selecting nominees for municipal representation, the fifteen SP Area municipalities should take into consideration the scope of the project, the nominee's qualifications, and the current priorities for the SPC outlined in the Committee Role and Member Responsibilities document attached. The Committee requires a range of expertise.

Members are asked to make a five-year commitment to serve on the SPC. SPC members receive a \$200/day per diem. For additional information on the Source Protection Plan and the Source Protection Program visit www.actforcleanwater.ca.

Background

The SPC has been responsible for the creation of the Source Protection (SP) Plan, which was approved in March 2015, with ongoing updates in 2024-2025. Municipalities have already implemented the policies for which they are responsible. However, longer term efforts are required with respect to research, monitoring, and education related to blue-green algae in Callander Bay. This involves the municipalities of Callander, Chisholm, East Ferris, North Bay, and Powassan.

Please see the attached information regarding the SPC function and committee member responsibilities, a map of the North Bay-Mattawa Source Protection Area, and a fillable Application form.

Should you require any further clarification on the roles and responsibilities of the Committee members, please do not hesitate to contact Angela Mills, Project Manager, Drinking Water Source Protection, for the North Bay-Mattawa Source Protection Area at dvsp@nbmca.ca or (705) 474-5420.

Angela Mills

Public Notice – Call for Applications
North Bay-Mattawa Source Protection Committee Members
March 10, 2025

Notice

Call for applications for local drinking water source protection committee – Three (3) Municipal representatives, three (3) economic sector representatives, three (3) general interest representatives, and one (1) First Nations representative from Nipissing First Nation. Appointment will be for a term of up to five years.

The North Bay-Mattawa Drinking Water Source Protection Committee (SPC) is mandated to reduce risk to five local municipal drinking water sources: Callander, Mattawa, North Bay, Powassan, and South River. The SPC achieves this through implementation of an effective, practical, locally developed, and provincially approved Source Protection Plan.

Membership:

- Three members represent municipalities
- Three members represent the economic sector
- Three members represent interests other than those previously mentioned, in particular: Environment, Health, and other interests of the general public
- One member may be appointed to reflect the interests of Nipissing First Nation

Appointed Members:

- Chair, as appointed by the Minister of Environment, Conservation and Parks
- Liaisons appointed by the North Bay-Parry Sound District Health Unit

As per *Ontario Regulation 288/07* (Source Protection Committees), a committee member must reside in, own or rent land in, be employed in, operate a business in, or be employed by a municipality located in the source protection area.

- See map of the North Bay-Mattawa Source Protection Area

If you are interested in applying to be considered for appointment as an **economic sector representative** or **general interest representative**, applications may be submitted directly to the North Bay-Mattawa Source Protection Authority **by Friday, April 11, 2025**.

If you are interested in being appointed as a **Nipissing First Nation representative**, please contact Nipissing First Nation for appointment.

If you are interested in applying to be considered for appointment as a **Municipal Representative**, contact the municipal Clerk submit a completed application and resume to the Municipality. Municipalities are requested to submit their selections for consideration, together with a copy of the completed application form and resume, to the North Bay-Mattawa Source Protection Authority **by Monday, May 12, 2025** with a letter of municipal endorsement.

Please visit **www.actforcleanwater.ca** to download and review these two files in PDF format:

- Application Form (link)
- Source Protection Committee Role and Member Responsibilities (link)

For more information on the North Bay-Mattawa Source Protection Committee visit **www.actforcleanwater.ca** to view documents which guide the role and function of the Source Protection Committee including:

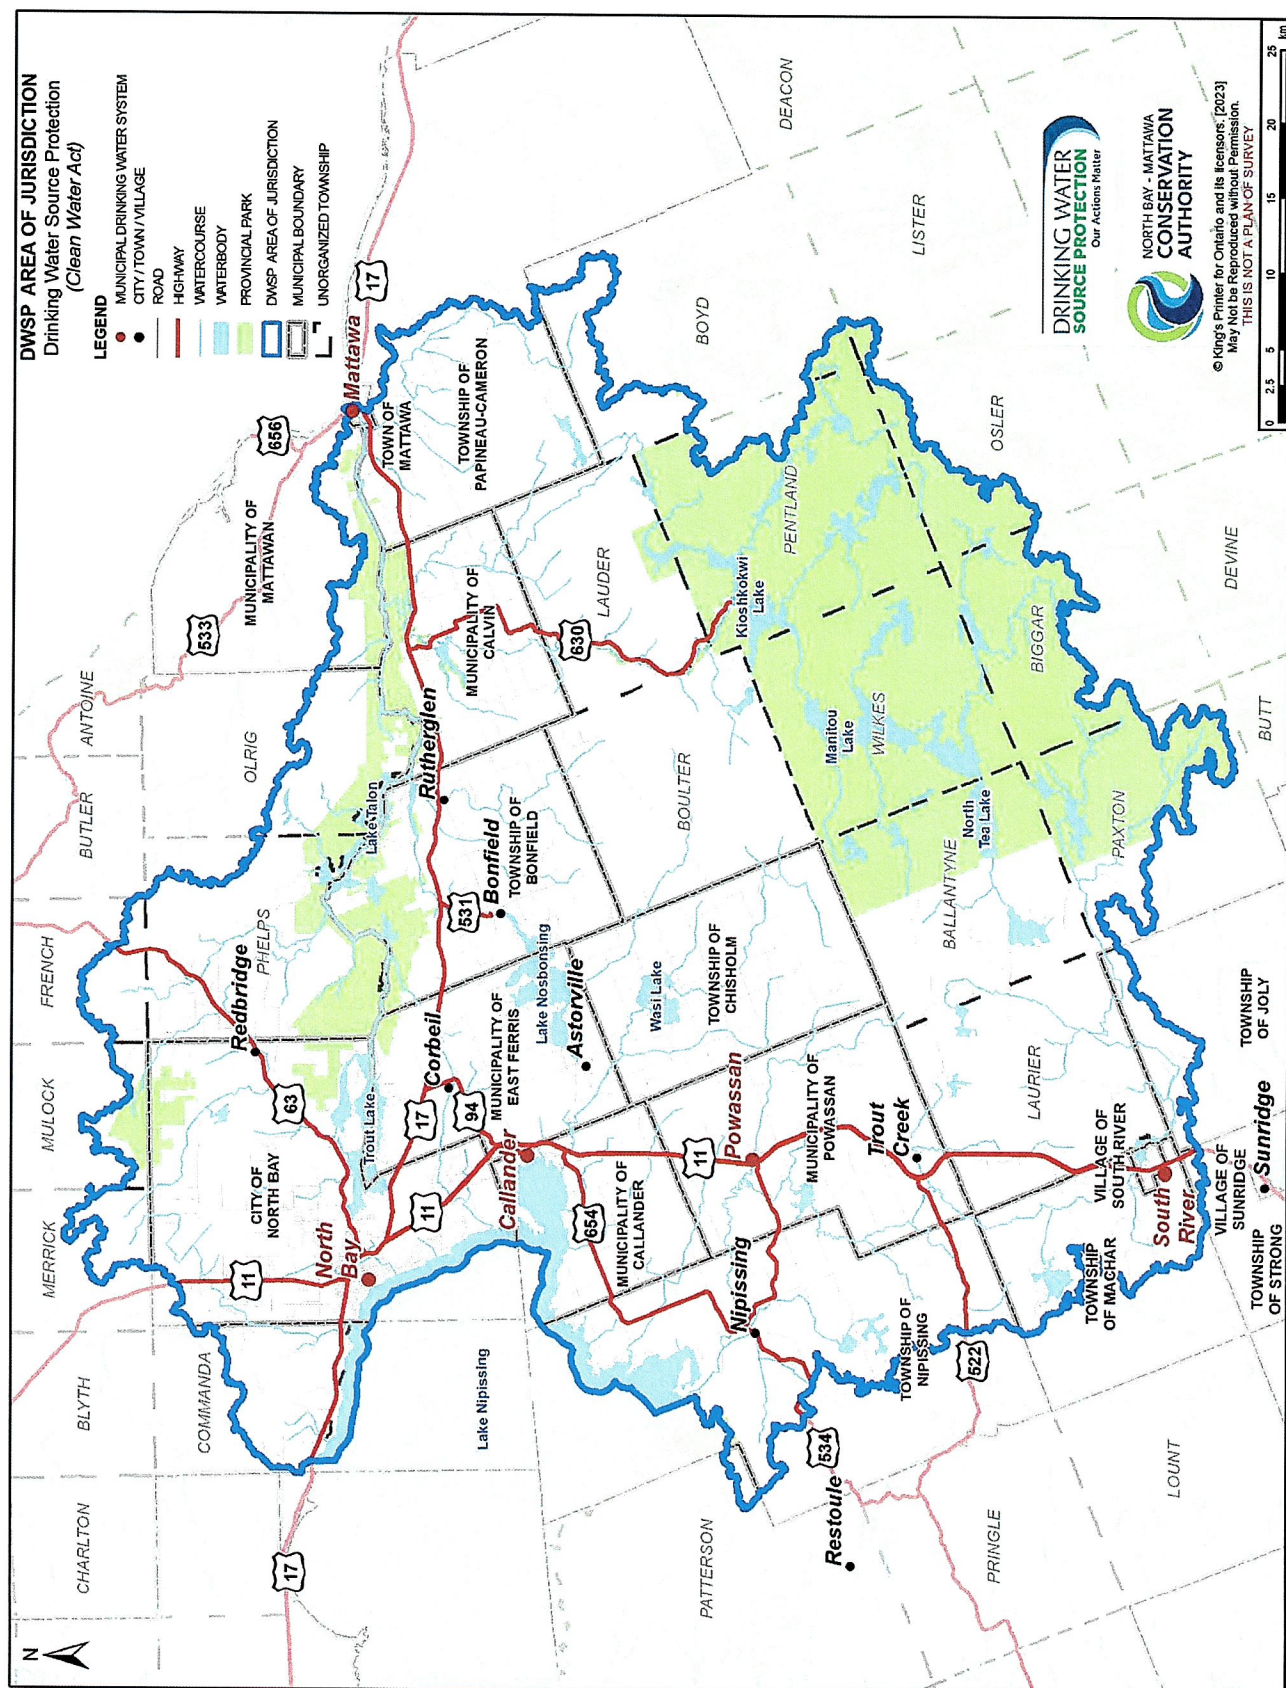

- Code of Conduct and Conflict of Interest Policy (link)
- Rules of Procedure (link)

For additional information, contact:

Angela Mills, DWSP Program Manager
North Bay-Mattawa Source Protection Authority
c/o North Bay-Mattawa Conservation Authority
15 Janey Ave., North Bay, ON, P1C 1N1
(705) 474-5420, dwsp@nbmca.ca

The Drinking Water Source Protection Program is made possible with funding support from the Province of Ontario.

Source Protection Committee Role

The Source Protection Committee (SPC) is responsible to guide the development of updated and amended assessment reports and source protection plans as well as guiding implementation of existing plans. The SPC works in cooperation with the source protection authority. The SPC considers public input, reviews technical information, ensures input from local municipalities, and provides advice on source protection plan requirements.

Source Protection Committee Member: Overview of Responsibilities

Committee candidates must:

- reside, own property, rent property, be employed in, operate a business in, or be employed by a municipality that is located within the North Bay - Mattawa Source Protection Area (see map).
- hold relevant knowledge of the watersheds and local land uses and institutions.
- understand technical issues and implications of human activity on the landscape.
- understand the municipal role, finance, and planning issues.
- exhibit solid problem-solving, analytical, communication, organizational, and conciliatory decision-making skills.
- demonstrate an ability to work with group dynamics and team environments.

Roles and responsibilities for Source Protection Committee members include:

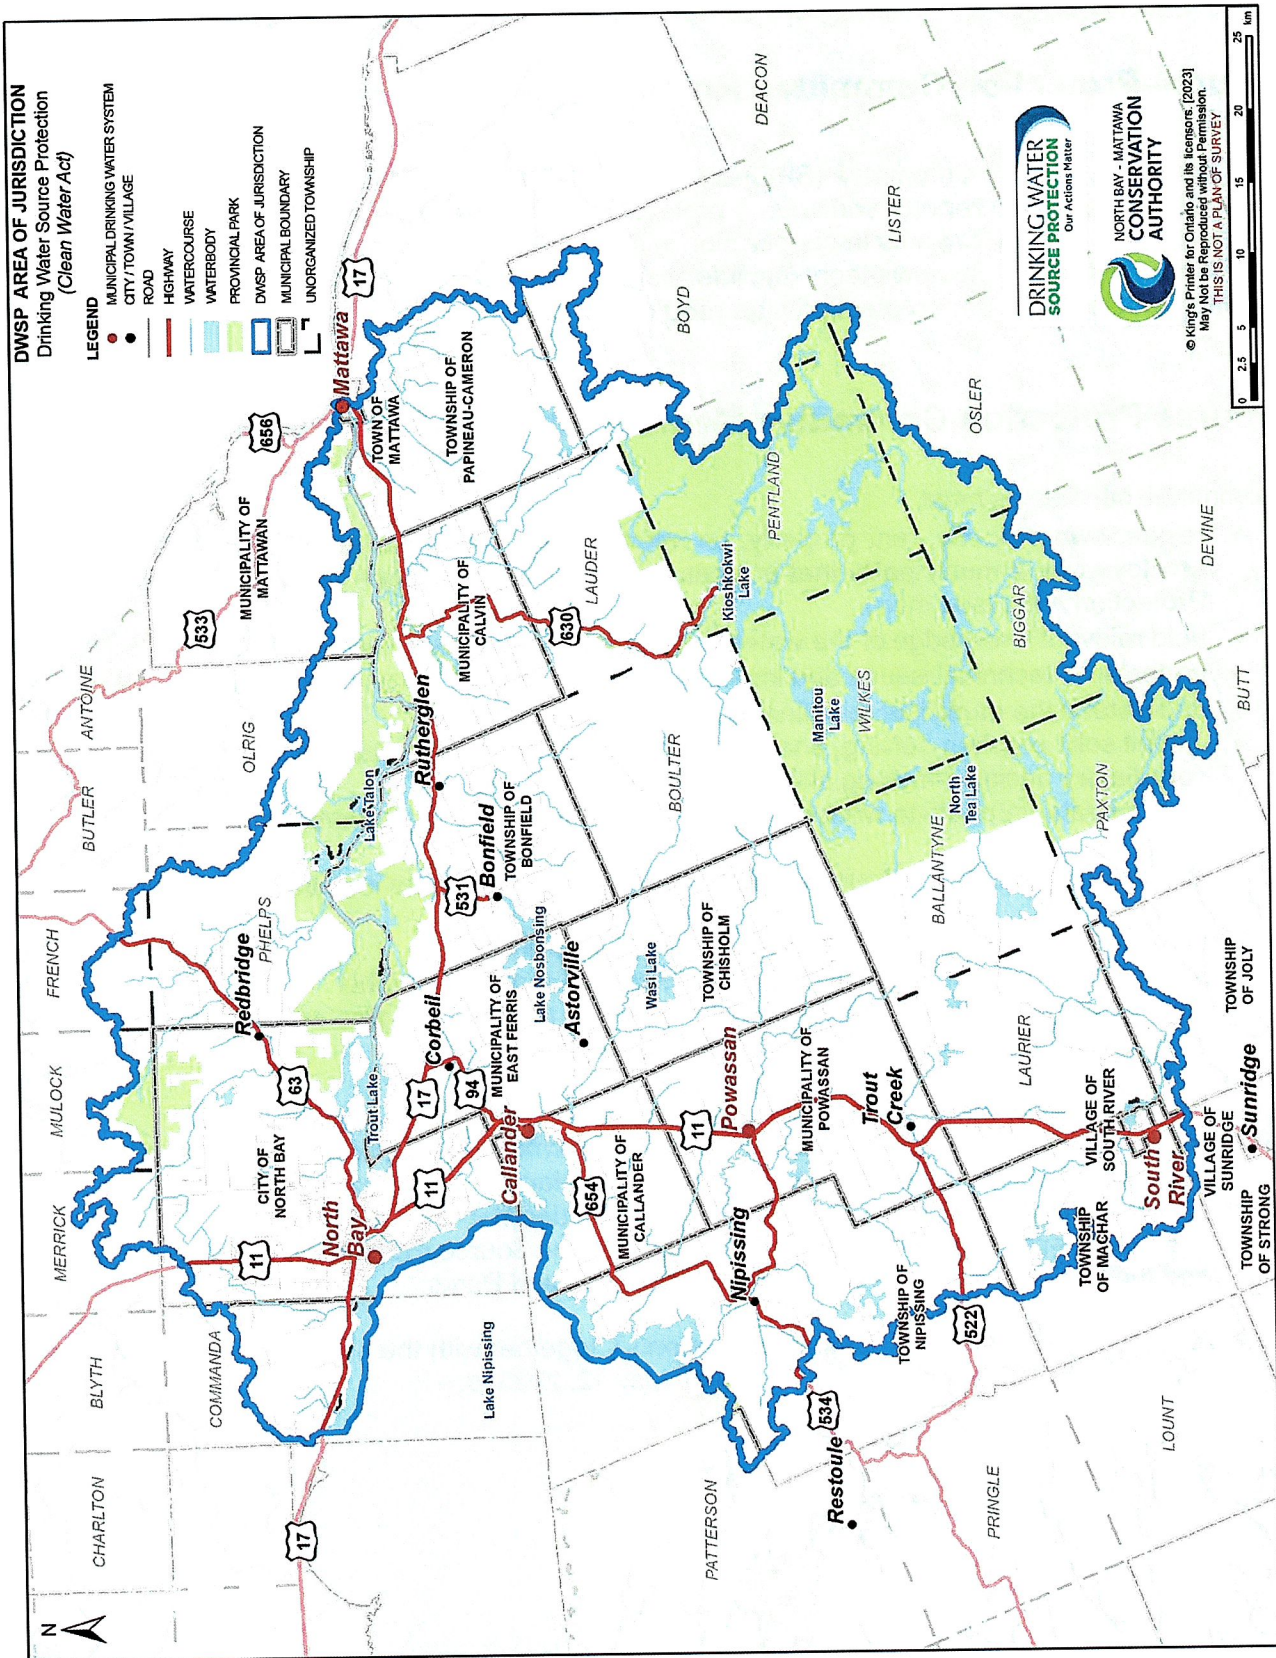

- attending meetings of the Committee as called by the Chair.
- making a 5-year commitment to participate as a Committee member.
- considering and comprehending concepts, issues, policies, and scientific reports related to drinking water source protection.
- working on multi-sector committees.
- working collaboratively in teams or in groups responsible for making decisions.
- respecting confidential information, freedom of information and privacy protection of personal information and abide by the process in place to safeguard confidential and personal information, while ensuring an open decision-making process.
- other roles and responsibilities as determined by the Source Protection Authority and the Ministry of the Environment, Conservation and Parks.

Municipalities are requested to submit nomination(s), together with the nominee application form, resume and municipal letter of endorsement by May 12, 2025 to:

North Bay-Mattawa Source Protection Authority

Application to be a member of the North Bay - Mattawa Source Protection Committee

Please complete all areas of this application form for your application to be considered and submit with a resume and cover letter by 4:30 pm on April 11, 2025. You may attach additional information if desired. If you are nominating an individual, please ensure that the individual being nominated signs this form and includes a copy with your nomination letter.

To be eligible for membership on the North Bay - Mattawa Source Protection Committee you must:

- Reside in, own or rent property within a member municipality of the North Bay - Mattawa Source Protection area; OR
- Be employed or operate a business within a member municipality of the North Bay - Mattawa Source Protection area; OR
- Be employed by a municipality that is a member municipality of the North Bay - Mattawa Source Protection area; AND
- Not be a member or employee of NBMCA

Name: _____

Full Address: _____

Telephone #: _____ **Cell #:** _____

Email: _____

Address of eligible place of employment/business/property owned or rented within the North Bay - Mattawa Source Protection area if the address above is not within the area:

Please check the box for the position(s) for which you are applying:

Municipal Representative: ☐ (Please forward application through municipal clerk)

First Nation Representative: ☐ (Please forward application through First Nation Chief)

Economic Representative: ☐ Agriculture ☐ Industry ☐ Commercial

Member at Large: ☐ Environment ☐ Health ☐ Other (incl. general public)

Knowledge and Expertise: *Attach additional information if desired*

Knowledge of drinking water source protection science, concepts and reading/reviewing scientific / technical reports:

Knowledge of the North Bay - Mattawa Source Protection region watersheds and communities and the related drinking water issues:

Communication Skills - Please provide a brief description of how you have developed and use your oral and written communication skills.

Experience working on multi-sector committees: Include committee's purpose/function and the outcome of the work of the committee, your role, and other members' roles and responsibilities.

Experience working effectively on teams or in groups responsible for making decisions: Describe your role and other members' roles and responsibilities; how difficult issues were managed; how decisions were made; how decisions were implemented - outcomes.

Willingness and Ability to carry out the work required as a member of the SPC

Able and willing to attend daytime meetings of the North Bay – Mattawa Source Protection Committee (SPC) and occasional evening and weekend meetings, public information sessions and forums: Members will receive a per diem to attend meetings.

Yes ____ No ____

References/Endorsements

Please include letters of reference specifically related to your application as a member of the North Bay - Mattawa Source Protection Committee. Also include letters of endorsement for your application when applying as a member to represent a specific sector. For the agriculture sector representative, applications will be processed in association with the Ontario Farm Environment Coalition (OFEC); no endorsement letter is required. The NBMSPA will be consulting with other sector organizations as relevant.

List of References / Endorsements Letters (optional) attached:

Name & contact details: _____

CONFIRMATION OF CERTIFICATION OF MUNICIPAL ASSESSMENT ROLL

TO: Chisholm Township
FROM: Kelly Triantafilou, Registrar
DATE: March 6, 2025

Pursuant to section 36(6) of the *Assessment Act*, S.O. 1990, c. A.31 (the "Act"), the Assessment Review Board ("the Board") certifies that the Board has disposed of all appeals respecting assessments in Chisholm Township with roll numbers starting with 4831 for the following taxation year(s):

- Taxation Years 1998 to 2016

In making this certification, the Board has considered and applied the provisions of the Act, including,

Certification of municipal assessment roll

36(6) When the Assessment Review Board disposes of all appeals respecting assessments in a municipality for the year for which the assessment roll is returned, the registrar of the Board shall certify the roll to be the last revised assessment roll of the municipality for the year for which the assessments on the roll are made.

Last revised assessment roll

37 (1) The yearly assessment roll of a municipality last returned to the clerk, when corrected and revised by the Assessment Review Board and certified by the registrar, is for all purposes the last revised assessment roll of the municipality.

Last revised assessment roll where no appeals made

(2) Where in a municipality no appeals are made to the Assessment Review Board and the time for appealing has elapsed, the assessment roll shall be presented by the clerk to the registrar and if he or she is satisfied that there have been no such appeals he or she shall certify the roll and the roll, as so certified, is for all purposes the last revised assessment roll of the municipality.

Last revised assessment roll, non-municipal territory

(3) The yearly assessment roll for non-municipal territory last returned to the Minister, when corrected and revised under this Act, is for all purposes the last revised assessment roll for non-municipal territory.

Any questions, please contact the Registrar.

Thank you,

Kelly Triantafilou

Registrar

Inspection

Inspection of 2025 – 2026 Annual Work Schedule - Algonquin Park Forest

The April 1, 2025 – March 31, 2026 Annual Work Schedule (AWS) for the **Algonquin Park Forest** is available for public viewing by contacting the **Algonquin Forestry Authority** during normal business hours and on the Natural Resources Information Portal at <https://nrip.mnr.gov.on.ca/s/fmp-online> beginning **March 15, 2025** and for the one-year duration of the AWS.

Scheduled Forest Management Operations

The AWS describes forest operations such as road construction, maintenance and decommissioning, forestry aggregate pits, harvest, site preparation, tree planting and tending that are scheduled to occur during the year.

More Information

For more information on the AWS, to arrange a virtual/in-person meeting with MNR staff to discuss the AWS or to request AWS summary information, please contact the MNR staff listed below:

Protected External-Protégé Externe

External-Protégé Externe

Hello,

We are reaching out to share that the Government of Canada just released the Housing Design Catalogue <https://www.canada.ca/en/housing-infrastructure-communities/news/2025/03/federal-government-unveils-designs-as-part-of-the-housing-design-catalogue.html>. The catalogue offers 50 free-to-use low-rise housing designs, each tailored to the different regions across the country.

The initial release provides access to renderings, axonometric drawings, floor plan layouts and high-level building statistics for each design. Final design packages will be released this Spring in both English and French. The final packages will include drawing sets (including architectural, mechanical, electrical and structural), Class B construction cost estimates, energy modelling templates, a detailed user guide and other resources to support both builders and authorities having jurisdiction.

We appreciate your interest in these designs and look forward to sharing more information later this Spring.

Bonjour,

Nous souhaitons vous informer que le gouvernement du Canada vient tout juste de publier le Catalogue de conception de logements <https://www.canada.ca/en/housing-infrastructure-communities/news/2025/03/federal-government-unveils-designs-as-part-of-the-housing-design-catalogue.html>. Le catalogue offre 50 modèles gratuits d'immeubles de faible hauteur, chacun adapté aux différentes régions du pays.

La version initiale donne accès à des rendus, des dessins axonométriques, des plans d'étages et des statistiques générales sur l'immeuble pour chaque modèle. Les trousse de conception définitives seront publiées ce printemps en français et en anglais. Elles contiendront des ensembles de dessins (architecturaux, mécaniques, électriques et structurels), des estimations des coûts de construction de catégorie B, des modèles énergétiques, un guide d'utilisation détaillé et d'autres ressources pour aider les constructeurs et les autorités compétentes.

Nous vous remercions de l'intérêt que vous portez à ces modèles et nous avons hâte de vous partager d'autres renseignements plus tard ce printemps.

Sincères salutations,

Federal government unveils designs as part of the Housing Design Catalogue

From: [Housing, Infrastructure and Communities Canada](#)

News release

Ottawa, Ontario, March 7, 2025 — Today, the federal government released the final renderings, floor plan layouts, and key building details as part of the Housing Design Catalogue, an initiative under Canada's Housing Plan. The catalogue features some 50 standardized housing designs for rowhouses, fourplexes, sixplexes, and accessory dwelling units across the country.

Today's release provides a head start for homeowners, builders, and communities in their planning processes. The designs were developed by regional architecture and engineering teams, and focus on creating gentle density and infill development in existing neighbourhoods in all regions of the country. The final architectural design packages will be released this spring.

To help ensure the Housing Design Catalogue supports the goals of Canada's housing system, numerous principles were considered during the development phase. These principles include adaptability and accessibility, energy efficiency, financial feasibility, use of regional construction methods and materials, and compliance with local regulations and building codes.

Once the final architectural design packages are ready, the Housing Design Catalogue will help builders streamline the process from concept to construction, cutting costs and speeding up housing delivery. The catalogue simplifies design, ensures compliance with building codes, and helps estimate costs—so homes can be built faster.

Quotes

“These standardized designs will help smaller homebuilders cut through the complexity, speeding up the time between concept and construction and lowering costs of building.”

*The Honourable Nathaniel Erskine-Smith, Minister of Housing,
Infrastructure and Communities*

Quick facts

- Homeowners, builders, and communities interested in receiving updates can sign up on the [Housing Design Catalogue webpage](#).
- The designs cover all regions of the country: British Columbia, Alberta, Manitoba and Saskatchewan, Ontario, Quebec, the Atlantic provinces (New Brunswick, Newfoundland and Labrador, Nova Scotia, and Prince Edward Island), and the territories (Yukon, Northwest Territories, and Nunavut).
- The final architectural design packages will consist of architectural and engineering drawings and specifications, including accessible-ready and enhanced-accessible layouts; technical guidance on topics such as site considerations and energy modeling; and, construction cost summaries for each housing design in regions across the country.

- The federal government continues to work with provinces, territories, and municipalities to streamline and fast-track approvals for the standardized designs included in the Housing Design Catalogue.
- Budget 2024 provided \$11.6 million in 2024-25 to support the development of the Housing Design Catalogue for up to 50 designs to simplify and accelerate housing approvals and builds.
- In January 2024, the Government of Canada began targeted engagements with key stakeholders, partners, and experts to inform the types of designs, features, and amenities in the Housing Design Catalogue.
- In July 2024, the federal government launched a Request for Proposals (RFP) process for the development of low-rise designs as part of the Housing Design Catalogue. The successful proponents of the RFP (Request for Proposals) process were:
 - MGA | Michael Green Architecture for the British Columbia region; and,
 - LGA Architectural Partners Ltd., who worked with five other teams of regional experts: Dub Architects (Alberta), 5468796 Architecture (Manitoba and Saskatchewan), KANVA (Quebec), Abbott Brown Architects (New Brunswick, Newfoundland and Labrador, Nova Scotia, and Prince Edward Island), and Taylor Architecture Group (Yukon, Northwest Territories, and Nunavut). LGA Architectural Partners covered the region of Ontario.
- In October and November 2024, the federal government invited companies building modular, panelized, and 3D printed houses to submit existing prefabricated housing designs to help inform the

Housing Design Catalogue. The submission also supported the Industrial Strategy for Homebuilding by collecting information on the current products, capabilities, and technologies in the industry.

- Accessing federal dollars under the Canada Housing Infrastructure Fund is conditional on provinces and territories collaborating with the federal government to support the adoption of standardized designs from the Housing Design Catalogue.
- The federal government is drawing inspiration from Canada Mortgage and Housing Corporation (CMHC)'s post-war housing design catalogues developed between the 1940s and 1970s. The Housing Design Catalogue draws on lessons from the past and applies them to the housing challenges of today.

FOR IMMEDIATE RELEASE

Honeywood Arena Advances to Final Four in Kraft Hockeyville 2025 – We Need Your Votes!

Honeywood, ON – March 18, 2025 – The Honeywood Arena has officially made it to the Final Four in the Kraft Hockeyville 2025 competition, bringing us one step closer to securing vital funding for much-needed arena improvements. Now, we need your support to win!

We're calling on everyone across the country to vote for Honeywood at KraftHockeyville.ca. Voting opens on **April 4, 2025, at 9:00 a.m. ET** and runs until **April 5, 2025, at 5:00 p.m. ET**. Voting is unlimited, so mark your calendars, spread the word, and **cast as many votes as you can**—every vote counts!

A Community's Heartbeat on Ice

Known amongst locals as “the coldest rink in Ontario” the Honeywood arena isn't just a building; it's the echo of skates on ice, the roar of the crowd cheering for their beloved Hurricanes, a refuge from storming weather and the shared warmth of a community. Since 1965 the arena has embodied Honeywood resilience and pride thanks to dedicated volunteers and community intent of preserving the spirit of hockey. With the aging arena in great need of repair, scoring the Kraft Hockeyville 2025 title would help fund essential upgrades and renovations, cementing the arena as a beacon of hockey passion.

With the arena **urgently in need of repairs**, winning Kraft Hockeyville 2025 would provide **\$250,000 for arena upgrades** and **the opportunity to host an NHL preseason game**, ensuring that future generations can continue to experience the magic of hockey right here in Honeywood.

How You Can Help

- ✓ **Vote** as many times as you can on April 4–5 at KraftHockeyville.ca
- ✓ **Wear your jersey** on April 4th to show your Honeywood pride
- ✓ **Share our story** on social media and encourage others to vote
- ✓ **Display a poster** in your workplace, business, or community space to spread the word

Let's rally together, encourage friends and family to vote, and show all of Canada the **unstoppable hockey spirit of Honeywood!**

For more information, visit: [Kraft Hockeyville](http://KraftHockeyville)

Let's make Honeywood Arena the next Kraft Hockeyville champion!
